

Dolors Sabater Puig

Mayor of Badalona

Why you should listen :

Graduated in educational and specializing sciences in special education. She worked as a professor and head of Department of Social Sciences in different schools since 1976. In the 90s, she campaigned for education at the neighborhood level, through different platforms such as the Municipal Council of Education or defending initiatives of the public school. During the municipal elections in 2015, she was elected mayor of the city of Badalona, being the second woman to hold this position.
