

Permanent Working Platform Co-creating the city - Future of Cities: Eight Forces Foresight

12 octubre

De 16.30 hasta 18.00

This session will aim to foresight the major changes that cities will face over the coming decades, as well as suggest how local governments will need to adapt to cope with them.

Proceeding from scenarios closely involved with futuristic thinkers, the speakers will contribute to introduce ideas and ways of thinking that are not properly included in the official discussions and yet will have a direct impact on our urban future.
