WITH US THE URBAN OCTOBER  
AT THE WORLD SUMMIT OF  
LOCAL AND REGIONAL  
GOVERNMENTS!**

**#UCLGcongress · #Habitat3**

## Only one week left!

Only a week left before the opening of our 2016 World Summit of Local and Regional Leaders “Local Voices for a Better World”. The city of Bogotá, capital of Colombia, is getting ready to welcome local and regional authorities and partners of global governance from across the world.

The 2016 edition of the World Summit of Local and Regional Leaders is not a regular Summit. For the first time in the history of our movement, the Summit will coincide with the United Nations Conference on Sustainable Urban Development: The Habitat III Conference that will be held just few days after our Summit, in Quito, Equator from 17 to 20 October.
