

# Community Forum - Local government associations - Discussion among Presidents on main trends and developments in their LGAs and surroundings

12 octubre

De 10.30 hasta 12.00

[UCLG Committee on Development Cooperation and City Diplomacy (DCCD), UCLG Working Group on Capacity and Institution Building Work (CIB)]

**Partners:** Association of Netherlands Municipalities (VNG) and VNG International, Federation of Canadian Municipalities (FCM)

The Community Forum of Local Governments Associations will be divided in two dedicated sessions: one for exchange among CEOs representing LGAs and the other one for dialogue among Presidents of LGAs. The idea is to allow participants to meet their counterparts to broaden their own network and to hear about different realities, including relations with other stakeholders, advocacy approaches, the integration of international networks into their domestic agenda, as well as to set out the priorities for the World Organization.
