

Workshop - SDGs localization

13 octubre

De 18.00 hasta 19.30

Organizers: United Nations Development Programme (UNDP), UN-Habitat, Federation of Canadian Municipalities (FCM), Association of Netherlands Municipalities (VNG)]

This workshop will be an opportunity to discuss some issues as well as existing initiatives and challenges encountered in the localization of the SDGs in different contexts. One of the objectives will be to find ways in which national, local and regional governments, civil society, practitioners and academics can best collaborate to achieve the SDGs.
