

# Policy Dialogue - The Right to the City at the Heart of the Urban Agenda

14 octubre

De 11.00 hasta 12.30

[UCLG Committee on Social Inclusion, Participatory Democracy and Human Rights]

Local and regional governments have called for the Right to the City to guide all the dimensions of the New Urban Agenda. This session explores the policy implications of the Right to the City in terms of access to public goods, the co-creation of the city, and the recognition and promotion of diversity. Speakers will share ideas on how local and regional governments can integrate the Right to the City into their daily work.
