Workshop - Shaping the National Development Agendas: The role of local governments in effective development

12 octubre

De 18.00 hasta 19.30
[UCLG’s Development Cooperation and City Diplomacy –DCCD- Committee and UCLG’s Capacity and Institution Building –CIB- Working Group]
Partners: Federation of Canadian Municipalities (FCM) and VNG International

This interactive session offers an opportunity to hear from local and national representatives that are actively promoting the inclusion of local voices in the national development dialogues. The panelists will explore how local actions inform national policies and programs (or not). And how to make the “bottom” more strategic in its push to drive the national development agenda.
