

The World Summit of Local and Regional Leaders is the largest and most influential international meeting of mayors, governors and high-level representatives, organized every three years by United Cities and Local Governments-UCLG.

The Summit will take place from **12th to 15th** October 2016 at the International Center Corferias, in Bogota D.C., Colombia, with more than **3.000** participants: local and regional leaders from more than **100** countries, international organizations, media, development agencies, financial institutions, academia and civil society.

### Two simultaneous agendas

In addition to the UCLG World Congress Agenda, for the first time the Summit will offer a Parallel Agenda that projects the city of Bogota at the year 2050. The challenges and opportunities of growing cities will be discussed with international and national experts.

**More than 135 activities with innovative formats such as plenary sessions, forums, workshops and work platforms.**

### UCLG World Congress Agenda

- Plenaries
- Policy Dialogues
- Working platforms
- Forums and workshops
- Statutory meetings
